REASONS FOR ALLOWANCE

Claims 1020 are allowed.

The following is an examiner's statement of reasons for allowance:

The Examiner accepts Applicant's arguments as set forth in the response filed 1 July 2005:

As per independent claim 1, Brinkerhoff et al. fails to teach the base station controlling the air flow source based on the status data.

As per independent claim 10, Brinkerhoff et al. fails to teach the limitation "responsive to the closure of the automated register, preventing the air source from providing conditioned air to the zones."

As per independent claim 12, Brinkerhoff et al. fails to teach the limitation "the base station configured to turn off the air source in response to status data from the automated registers indicating that all the zones have reached their respective temperatures."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc E. Norman whose telephone number is 571-272-4812. The examiner can normally be reached on Mon.-Fri., 8:30-5:00.

Art Unit: 3744
